Dear Applicant;

As you are considering joining, we would like to tell you some important information about our organisation.

We are one of 25 VMR squadrons in Queensland that are affiliated with the Volunteer Marine Rescue Association of Queensland and our call sign is MARINE RESCUE BRIBIE (VMR 445).

We run first aid, radio courses, navigation courses and safety information sessions, which members are entitled to attend. Social activities for members are organised from time to time, and these are advertised on our website and via email to members. As a service to boating members, there is car and trailer parking space at the base for overnight/weekend outings – subject to availability. Members can also access our member rewards program, which offers discounts at businesses around Bribie Island.

Members are encouraged to participate in the squadron's activities, which include boat crew duty, radio duty, fundraising and maintenance.

FEES and SUBSCRIPTIONS - As from 08 October 2018

- All new members of VMR Bribie become Associate Members.
- Associate Members can apply for on-water assistance coverage for one or more boats.
- Members who participate actively in squadron activities can become Active Members.
- Active Members are entitled to vote at meetings of the association. Associate members enjoy all the benefits of being a member, but are not entitled to vote at meetings.

Membership is for 12 months from the receipt of payment. You will be notified when the next payment is due.

ON WATER ASSISTANCE COVERAGE

- Members with on-water assistance coverage will be provided with free on-water assistance for the covered boat, up to a value of \$500 in any year. (This is about 3 - 4 hours assistance time)
- It is the nominated boat that is covered for on-water assistance, not the person operating the boat.
- Any member who is 'unfinancial' at the time on-water assistance is requested (i.e. has not paid their fees) will be required to pay for assistance provided by our rescue vessels at the then current hourly vessel rate.
- **On-water assistance coverage is effective from 24 hours after the payment of the membership fees.**

PLUS one of the following:
